

BASF AUTOMOTIVE REFINISH COATINGS

## Whitehouse Training Center

6125 Industrial Parkway  
Whitehouse, OH 43571  
Contact: Ralph Leija III  
(419) 877-4461

### Directions from Ohio Turnpike

Located west of Toledo, off Interstate 80/90 (Ohio Turnpike). Exit Turnpike at exit 52 (Toledo Airport/Airport Highway/Route 2 exit). Take Airport Highway/Route 2 east (left) to Eber Road, go south (right). Follow Eber Road until it ends at Weckerly Road; turn right (west). Follow Weckerly Road to blinking yellow light; turn right on Route 64. Take Route 64 north about 1/2 mile to Industrial Parkway; turn right. The BASF North American Application & Training Center is the last building on the left.

### Directions from Staybridge Suites Hotel to BASF

Start out by going south on Jerome Rd. Jerome Rd. becomes Stitt Rd., continue straight on Stitt Rd. Take Stitt Rd. all the way until it ends, be careful as there is a very sharp S-turn before the road ends at the stop sign (3.1 mi.). Turn left at the stop sign on Weckerly Rd., follow Weckerly Rd. to blinking yellow light (1.9 mi.); turn right on Rt. 64. Take Rt. 64 north about 1/2 mile to Industrial Parkway; turn right. The BASF North American Application & Training Center is the last building on the left.
